Dear Ruf:

Confirming our telephone conversation, I am sending you herewith a copy of the memorandum to the DCI, dated 21 June 1966, from the Chairman of the President's Foreign Intelligence Advisory Board on the subject of suggested procedural modifications relating to current and long-range intelligence products.

When you and General Carroll have had a chance to look this over, would you be good enough to give me a ring and let me know procedurally how you would like to make your views available to the DCI and the PFIAB.

Sincerely,

(Signed)

John A. Bross
